

## American Lincoln Part

American Lincoln Parts - Presently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. Within the industry they are recognized within the industry as providing durable and strong machines which suits all the requirements of heavy industry and larger infrastructure. Products made in America; the sales are conducted nationwide via direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind model of floor scrubber along with the Clarke Company that is presently likewise owned by Nilfisk Advance. Their manufacturing operations are primarily based in Springdale Arkansas. These types of scrubbers are on the market under the brand name "Encore". American Lincoln can supply warranty service, machinery and parts for these scrubbers which carry both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility supervisors where efficiency and results make a difference. Recently, this floor scrubber model has been utilized by the architects in various construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on site due to the model's high standard of quality and supreme performance level for polishing concrete.
