

## Trek Part

Trek Part - TREK Cleaning Machines is a machine maker who is passionate about the cleaning trade. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over sixty years combined experience with successfully marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to providing top quality and new design concepts to be able to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always provides fresh design concepts. They like providing products that energize both their partners and their dealers and offer production gains to their customers.

The TREK team of workers enjoys new tasks and new challenges. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and needs combined with their knowledge of cleaning applications, together with owners' strong desire to dramatically lower cost through productivity gains.

The workers at TREK and their dealer-partners are really committed to having both technical support and parts accessible when it is required. Their high service devotion is amongst the core values in their customer service. Keeping their clients' cleaning equipment working and ready day by day is top priority. The company's top of the line technology delivers reliable machine which ultimately reduces your cleaning expense. The service, the product and the price all work together to make them the leader in the industry.
