

## **Fork Mounted Sweeper**

Fork Mounted Sweepers - This attachment actually makes industrial sweeping work much easier to do. The handy lift truck mounted broom is designed for use with either wet or dry material clean ups. It can push snow and squeegee water with no trouble. This particular accessory is often utilized so as to clean garbage from docks, parking lots, warehouses, construction sites and virtually anywhere it is considered necessary. The forklift sweeper is a low maintenance accessory which uses quick-tite fork products to easily mount to the forklift.
